

# GAIN CONTROL GET RESULTS

Unified communication—Because *how well you communicate is remembered longer than what you communicate*

With OneCall's **Mobile Manager** you get one extraordinarily powerful personal number for all your phones and all your communications. Distribute **ONLY** that number as your contact number (*choose a local or toll-free number*).

For ultimate mobility: create **transaction files**, then download everything onto a **flash drive**: voicemail (.wav), faxes (.tif or .pdf), and email

## REAL CONTROL REAL RESULTS

- Reduce cell phone usage up to 60%
- Increase transactions
- Improve marketing by advertising **ONE** number
- Eliminate phone tag and “time-wasters”
- Check one place for voice messages
- Month-by-month agreement; only \$18.95/mo!
